## 1. Introduction

Welcome to the DTS Guide-Starter kit. This kit is designed to provide an extensive overview of all relevant information to support the introduction of DTS by Bodybuilders, Dealers and Original Equipment Manufacturers.

It contains the following documents:

- A list of relevant contacts
- DTS presentation
- DTS brochure
- User manual DTS (OBU)
- One-EMS (cloud) manual
- Installation manual (including calibration)
- Onboarding documents (process, form used to collect DATA about truck, about end-user email etc)
- Legal terms and framework for DATA handling
- Relevant Promotional videos
